Helping your healthcare routine fit your lifestyle...

Not everyone can access their GP Surgery during its normal opening hours. Patient Access helps by letting you manage your appointments and repeat medication over the internet. All you need to do is speak to practice staff to get your user name and password. Then you can start using the Patient Access service!

“I booked my appointment over the internet within 48hrs”

“I have a busy home and work life so don't always have time to get to the practice to order my medication. I ordered it online which meant I didn't have to rush or cope without it until I had time to order it in person.”

**View, book and cancel APPOINTMENTS,
view and request repeat MEDICATION,
all using our ONLINE SERVICES**

**To register, just
ask at reception**
